New Delhi, dated: 30.03.2026

The General Managers (P),
All Zonal Railways and PUs

Sub: Vacancies of Technicians to be notified for recruitment in 2026

Ref. Railway Board Letter No. 2024/E (RRB)/25/38 dated 05.12.2025

Assessment of vacancies of Technicians by Zonal Railways/PUs in the Indent Management module of HRMS has been examined in Railway Board.

2. The Competent authority has approved to issue Centralized Employment Notification (CEN) for **6,565** vacancies of Technicians in **39** categories for the year 2026. The Railway/PU-wise distribution of vacancies is given in **Annexure – A**.
3. Immediate action should be taken by Zonal Railways and PUs for placing the final indent (not exceeding the vacancies approved by Railway Board) through OIRMS in consultation with RRB/ Bengaluru who will take necessary action for providing time window for finalizing the same within a period of one week from the date of issue of this letter. While placing indent, Railways/Units should ensure prescribed reservation norms for SC/ST/OBC/EWS etc. (both backlog and current) and shortfall, if any, should be properly accounted for.
4. Nodal RRB will identify the categories with identical medical standards, PwBD attributes, educational and technical qualifications based on the post parameters and issue the CEN after clubbing the vacancies of these categories. There should be clear mention about the categories getting clubbed in the CEN so that the candidates are aware of the clubbing. The CEN will also include a provision specifically that final allotment of department and category to the empanelled candidates will be done by the concerned Railways and PUs based on the vacancies available and community wise distribution.

5. The zonal distribution has taken into consideration the pending inter-railway transfer applications. Southern Railway and Western Railway are advised to release 100 Technicians (C&W) of Mechanical and 60 Technicians (Blacksmith) of Civil Engineering respectively as per the NOCs received on their behalf from the receiving zones.
